Oasis 10 Peak Challenge

10 Years of Bringing Hope to Mexican Street Children

_____ of Team _____ is taking part in the Oasis Ten Peak Challenge around Buttermere on Saturday 30th June 2007. The aim of the challenge is to raise money for the **Oasis En Gadi street kids project** in Guadalajara, Mexico. You can learn more about the project at www.oasis.xtn.info. All the money raised will go to the street kids project. Administration costs for the challenge will be met through the partipants' entry fees and any shortfall will be met by Kings Church Cockermouth – so all the money raised will help the kids.
You can sponsor a participant per peak or for the event (not all participants will necessarily complete all 10 peaks). In the event of seriously bad weather, there will be an alternative low level route.
If you are a tax payer you can increase the value of your giving by completing a **Gift Aid** form.
More information about the challenge is at **www.oasis-ten-peak-challenge.co.uk.**
